**In the dark zombie tomb  
There was a girl, undead,  
And a graveyard bed  
And a picture of —**

**A cat jumping over a head**

**And there was a shelf full of hearts and body parts**

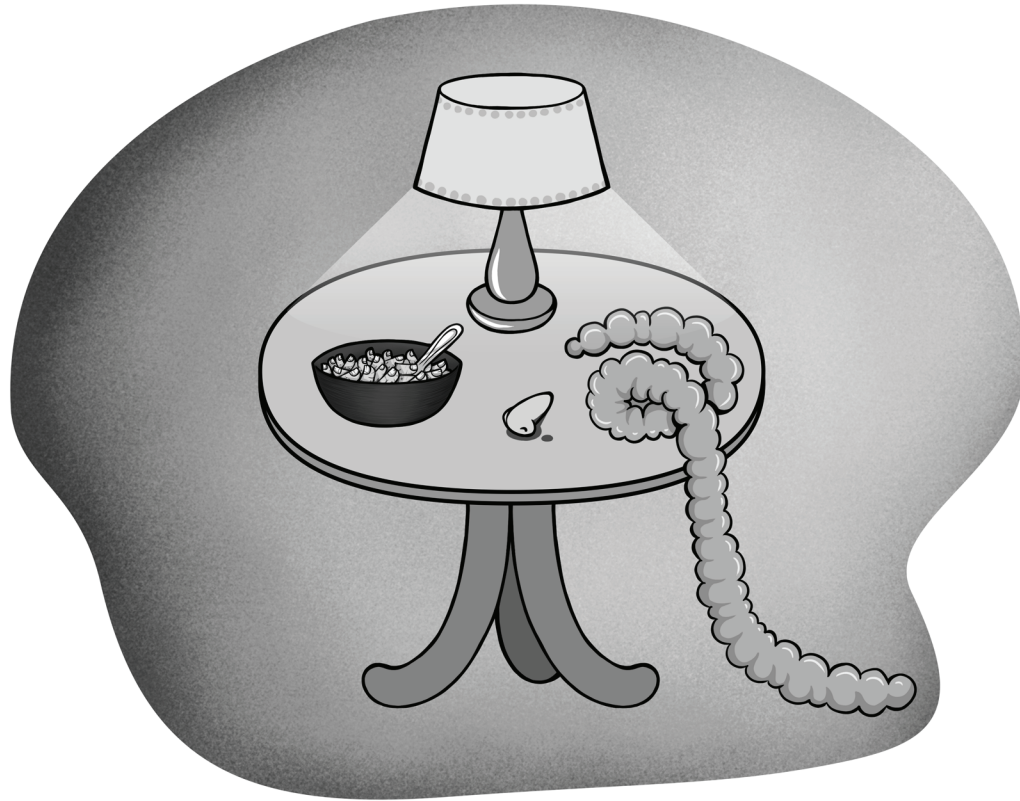

**And two little brains  
And some other remains**

**And the sound of groans  
And mysterious moans**

**And some guts and a nose and a bowl full of toes**

**And an old lady beginning to decompose**
